

**CANDIDATE FOR CITY COUNCIL MEMBER
CITY OF BIG BEAR LAKE**

NAME: BRAD SUMMERS

AGE: 37

OCCUPATION: Family Healthcare Provider

I'm Brad Summers, a Family Health Care provider working at the Bear Valley Healthcare District's Family and Rural Health Clinics; I am proud to run for City Council of Big Bear Lake. I've always been passionate about giving back to the community whether it was volunteer teaching science to third and fourth graders when their school couldn't afford tutors, coaching Pop Warner football, or organizing food drives to help feed the homeless during the holidays, when they are most at risk and perhaps most forgotten. Big Bear has taught me many life lessons, but I feel strongly we, as a community, can achieve much more and become a safer, happier, and healthier neighborhood which every one will be proud to call home. It's time for better care for Big Bear. I will be more proactive to ensure your voices are heard loud and clear. I will donate a percent of my councilperson salary to help local non profit organizations. I pledge each and every day to infuse a fresh vision, energy and passion into City Council and provide a strong voice for the people. Your vote for me, Brad Summers, will provide a new fair share for Big Bear.
